Benefits

Faster heat times (compared to Hi-Lights elements), with a uniform heat distribution. 2 cooking zones.

With 9 different settings, you can select the ideal cooking temperature for all types of foods to provide the perfect cooking results.

Enables you to cook three times quicker than usual.

120 minute multifunctional timer allows you to set the time individually for each heater.

Let you avoid kids for activating the cooking surface simply touching a button.

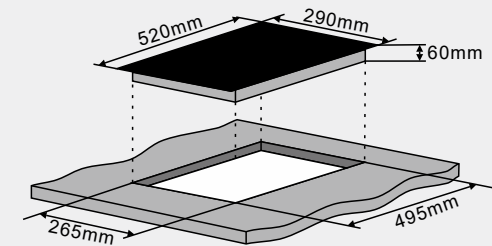

Automatically turns off any cooking zones if you have forgotten to turn it off or if there is no change in the operation after a certain period.

Allows you to see that the surface of the cooktop is still hot, preventing accidents.

Prevents overflowing any liquid form onto the cooktop surface.

Recognises the dimension of the cookware and it determines the size of the cooking zone accordingly.
